What I have done is that, when clicked the icon, the second list should disappear(show) and when clicked again it should show back (hide). The problem is that it works only once, and the next time I click on an icon it stays expanded and I have to click again on the icon to close it. I tried many things to do it, but nothing. Here is the code: HTML: Text List number 2 Text Text Javascript: \$(".icon").toggle(function() { \$(this).next("ul").show(); }); A: Remove the second argument of.toggle(), the one for hiding 6d1f23a050
